## **Aqua-Tots Swim Schools Makes a Splash in Al Manar, Saudi Arabia**

*The World's Largest Swim School Franchise Opens  
Newest International Location in Al Manar, Saudi Arabia*

**MESA, ARIZ. FEBRUARY 26, 2020** - Aqua-Tots Swim Schools has announced its 106th worldwide franchise location which opened in Al Manar, Saudi Arabia, on Monday, February 17, 2020.

Aqua-Tots Swim Schools has been the leader in the swim instruction industry since 1991, offering comprehensive swim curriculum for children from four months to 12 years old. With over 100 locations in 14 countries, families all over the world are able to experience the dedicated, year-round, indoor swim facility where their children can become safe and confident swimmers.

*Aqua-Tots Swim Schools Al Manar is ready for children of all abilities to learn how to swim safely in their state-of-the-art facility and year-round, 90° pool.*

“Opening our location in Al Manar gives us an opportunity to serve the east side of Riyadh,” says Franchise Owner Bader Al Saud. “We are happy to be giving back to the community by teaching children safety, confidence and courage around the water, and we’re proud of the value that Aqua-Tots adds to communities all over the world.”

Swim lessons are proven to reduce the risk of drowning by 88% among children ages one to four years old, according to Pediatrics and Adolescent Medicine. That’s an encouraging reality as the Centers for Disease Control and Prevention reports that drowning is the leading cause of unintentional, injury-related death among children ages one to four years.

“With each location that opens across the globe, we are reminded that families just want the same thing—safety and security for their children,” says Co-Founder Ron Sciarro. “Children gain the swimming skills they need for a lifetime of safety, and parents get the peace of mind they desire as they raise their families.”

With nearly 29 years of experience in the swim instruction industry, Aqua-Tots Swim Schools continues to take the message of water safety around the world with plans to open 20 more locations, both in the U.S. and internationally in 2020.

“This is a really exciting time for us,” says Co-Founder Paul Preston. “Our franchise owners are our family, and we are proud to continue to partner with those who align with our core values and see the importance of serving their communities. Giving entrepreneurs an opportunity to advance their futures through business ownership is an amazing thing to be a part of, and we’re thankful to walk alongside people like Bader and Mohammed as they open their second Aqua-Tots location.”
